

## Verklaring belastingplicht woonland

### Statement of tax liability in the home country

#### Waarom dit formulier?

Een voorwaarde om vrijgesteld te worden van loonheffing in Nederland, is dat u fiscaal inwoner bent van uw woonland. U bent fiscaal inwoner van uw woonland als u in dat land belastingplichtig bent voor uw wereldinkomen. Dat kunt u op één van de volgende manieren bewijzen:

- Laat de verklaring invullen door de belastingdienst van uw woonland, en stuur deze mee met het 'Aanvraagformulier voor vrijstelling van loonheffing'. U vindt de verklaring op de achterkant van dit formulier.
- Stuur een kopie mee van uw meest recente aanslagformulier met de daarbij behorende aangifte uit uw woonland.

#### Let op!

De 'Verklaring belastingplicht woonland' kunt u ook gebruiken om te bewijzen dat u mogelijk een zogenaamde 'domiciled resident' bent in uw woonland.

#### Why this form?

To qualify for a tax exemption on wages, social security benefits, pension or annuity in the Netherlands, it is required that you are a resident for tax purposes in your home country. You are a resident for tax purposes in your home country when your worldwide income is subject to tax in that country. To prove this is the case, you have the following options:

- Ask the tax authorities in your home country to fill out the following statement, then send that statement to us, along with your application for exemption. You can find the statement on the back of this form.
- Send a copy of your most recent tax assessment completed with the corresponding tax declaration in your home country to us.

#### Please note!

You can also use the 'Statement of tax liability' in your home country to prove that you potentially are a domiciled resident in your home country.
